SIR,

In reply to your docket No 2985 / Irrg 552-10-2 dated 25th Augt 1911 inviting reference to subject-matter of Question No. 303 of the Dasara Representative Assembly of 1910 and requesting to ascertain from the member who moved it what-facilities the member exactly wishes to be provided, I have the honor to forward herewith in original, Mr. Rumble Swami's Pandit's reply received with the Sub Divisional officer's Memo No. 187/15-7 dated 2.9.1911.

2 It will be seen therefrom that-member requests that the authorities should, each year, communicate who have

have either by the grant of lands
or cash provided for seruas in
temples, the details of the income,
expenditure and balance of
the Seruaththa.

3 no doubt it stands to reason
that such persons are entitled
to see that their object is duly
fulfilled but in important
temples such as the Sri Srikanteso-
wara Swamy temple at Nanjan-
gud where such seruas are many,
it may not be convenient to
furnish such details annually
to each Seruaththadar as it would
increase the clerical work

4 In the case of those who have
permanently provided for seruas
a simple Register showing the
name of the Seruaththadar, nature
and date of the Seruaththa together
with an abstract of the income
expenditure and balance of the
Seruaththa may be ordered to be
maintained in the temples and
be made accessible to the Seruas-
thadaru. A few pages may be al-
lotted to each Seruaththadar.

5 Such of those as wish to know
the details may, whenever they
wish

visit the temple, glance at the Register and bring to the notice of higher authorities any irregularity they may notice. This Register may also be useful for inspecting officers.

Bangalore.

Sir,

With reference to your docket No. 169-76/552-10-6 dated 21st July 1914, forwarding for my opinion, draft of an order proposed to be issued by Government, regarding the fecilities to be afforded to Sevarthadars, for ascertaining that their sevas are properly conducted, I have the honour to state that I have consulted the Sub-Division Officers and the Amildars on the subject, and am of opinion that the proposed draft is generally suitable. The charge of 10 % for writing accounts, however, appears to be excessive. It may, in my opinion, be reduced to 5 % , and it may also be ordered that the charge may be incurred on the authority of the Amildar if it does not exceed Rs.10/- and of the Deputy Commissioner if it does not exceed Rs. 25/-.

I have the honour to be,
Sir,
Your most obedient servant,

Matthan

Deputy Commissioner,

Sir,

With reference to your docket No. 109-76/Muz. 502-10-6 dated the 21st July 1914, forwarding the draft of an order proposed to be issued in the matter of the facilities to be afforded to sevarthadars for ascertaining that their sevas are properly conducted and requesting to be furnished with my opinion thereon, I have the honour to state that the draft of the order proposed to be issued is based on approved lines acceptable to all concerned.

2. Certainly, no responsibility could be undertaken by Government for the due performance of sevas in the case of minor endowments which will also be too many to have any efficient control. They must be left to the donors themselves. In the case of those whose value will amount to Rs. 50/- and upwards, a regular register may be maintained at the cost of the donors.

I have the honour to be,

Sir,
